

## NATURALISTIC TRIPS

### WITH HORSES

## IN THE MONTAGNOLA SENESE

We discovered Scorgiano's village same years ago, looking for a piece of land in the Tuscany countryside that takes us inside and where we can express all our passions...

the forests, the fields, the animals...

We explore together ours horses what it's around us through a journey's slow rhythms, to taste the essence.....

We propose trips for small groups (maximum 4 people) into the typical countryside of Montagnola Senese, one of the most interesting place in the Siena territory; It's characterized by historical and naturalistic aspects of big suggestion.

We have two main itineraries, with also the possibility to take different routes in regard of every group and personal riding skills.

#### 2 HOURS TRIP:

**ROUTE:** mixed environments in the forest and in open areas;

**DIFFICULTY LEVEL:** also for beginners, it includes a short introduction to learn the most important rules to ride a horse in a correct way;

**AGE LIMIT:** riders must be at least 14 years old;

**COST:** 35 € each person.

### HALF-DAY TRIP:

**ROUTE:** mostly in the typical Tuscan forest with same views and a break in a charming place;

**DIFFICULTY LEVEL:** only for riders with experience;

**AGE LIMIT:** riders must be at least 14 years old;

**COST:** 55 € each person.

Additional we offer the possibility of a picnic with local products of cinta senese pigs breeding in Scorgiano or coming back from the horse sightseeing, have a wine degustation inside the old Villa's stables.

In summer time we can organize a horse sightseeing in the full moon night; it's only for riders with good experience. It will be very exciting this unusual trip during the night in the Scorgiano's countryside where there are very few lights and you'll enjoy every sounds and scents; if we'll be lucky, it will be possible to do same interesting meeting with wild animals.

**COST:** 40 € each person.
